#### **WEBLINKING PRACTICES**

**EVERTEC** is committed to providing you with the most complete information possible. As a convenience to you, **EVERTEC** may provide access to information, products or services offered on websites or Internet resources that are owned or operated by other companies, that are not otherwise affiliates of **EVERTEC** ("third-party website"). We provide this access through the use of hyperlinks that automatically move you from and out of **EVERTEC** websites to a third-party website. When you link from an **EVERTEC** website to a third-party website, the linked site will appear in a new browser window or an alert will appear to notify you that you are leaving the **EVERTEC** website.

While we do our best to provide you with helpful, trustworthy resources, hyperlinks to third-party websites are solely for informational purposes. **EVERTEC** cannot endorse, approve or guarantee information, products, services or recommendations provided at a third-party website. Because **EVERTEC** does not control third-party websites, we may not always know when information on a linked third-party website changes. Therefore, **EVERTEC** is not responsible for the content or accuracy of any third-party website and **EVERTEC** will not be responsible for any loss or damage of any sort resulting from the use of a hyperlink on its website nor will it be liable for any failure of products or services advertised or provided on these linked third-party websites.

**EVERTEC** offers hyperlinks to you on an "as is" basis. When you visit a third-party website by using a hyperlink on an **EVERTEC** website, you will no longer be protected by **EVERTEC's** privacy policy or security practices, as well as other policies. The data collection, use and protection practices of the linked third-party website may differ from the practices of **EVERTEC** websites. You should familiarize yourself with the privacy policy and security practices of the linked third-party website before providing personal information. Those are the policies and practices that will apply to your use of the linked third-party website, NOT **EVERTEC's** policies and practices. In the event you conduct a transaction on a linked third-party website, **EVERTEC** will not represent either members or the owner of the linked or accessed third-party website.

***Here are some tips to help you tell if you have left an EVERTEC website:***

1. Instead of an **EVERTEC** Internet address, the URL of the linked third-party website appears in the location box (or address field) of your web browser.
2. The linked third-party website is shown in a new browser window. The appearance of the linked third-party website, including its colors and graphic design, is significantly different from the **EVERTEC** website.
3. The linked third-party website or webpage does **not** appear in a new browser, but you find one or more of the following:
  - The phrase "**EVERTEC** linked third-party website" beneath the **EVERTEC** logo.
  - The logo of a different company in the upper right hand corner or other prominent location on the linked third-party website, along with the words "Powered by", "Brought to you by", or "Provided by".
  - The layout and content of the navigation tools on the left-hand side of the linked third-party website or in the header at the top of the new webpage are different from **EVERTEC's** navigation.
  - The first navigation hyperlink refers to a description of the company that sponsors the third-party website. It may be titled "About (Third Party's Name)".
  - A third party's privacy policy and terms of use statement are identified instead of **EVERTEC's**.
  - Information in the footer at the bottom of the webpage contains information about a company other than **EVERTEC**.

**EVERTEC** is committed to providing you with quality online services. If you find any information on any **EVERTEC** website that you believe to be inaccurate or have concerns about a hyperlink to a third-party website, please e-mail us.
